Welcome to KORB

Patient Education · Functional Health & Longevity

This is a printed copy. The links below still work and always open the current version of each guide. For the most up-to-date copy of this letter itself, visit https://korb-health.github.io/korb-patient-tools/KORB_Welcome_Letter.html

KORB Health Medical Texas PA · Patient education · printed copy, not the live version

This guide is for educational reference only. It is not medical advice. Your prescription label and your provider's instructions come first. If you have questions, contact KORB.

We are glad you are here. This is your starting point for the KORB Functional Health and Longevity Program.

At your first visit you complete your baseline labs. Your provider reviews those results and confirms your program and medication plan afterwards. Everything below helps you get oriented in the meantime.

Your most important links

- [Treatment Schedule](#) your personalized schedule, with your dates
- [Peptide Tracker](#) track your injections and how you are doing

Getting started

New to the program? This is the short orientation.

- [Start Here Guide](#)

Program overview

The bigger picture of how the program works. Your provider confirms which tier fits your goals once your labs are back.

- [Program Overview](#)

Your program tiers

Each tier is structured differently. Once your provider confirms your tier, open the matching overview.

- [Foundation Program Overview](#)
- [Gateway Program Overview](#)
- [Peak Performance Program Overview](#)

Your medication guides

Once your provider confirms your medication, open the matching guide for how it works, how to use it, and what to expect.

- [Sermorelin](#)
- [CJC-1295 / Ipamorelin](#)
- [BPC-157](#)
- [Tesamorelin](#)
- [GHK-Cu \(add-on\)](#)
